

Warner's bill.

PRESIDENT: Motion is the adoption of the Warner amendment to LB 31. All those in favor vote aye, opposed vote nay. We are voting on the Warner amendment to LB 31. Please record your vote, aye or nay. Please record your vote on the Warner amendment to LB 31, aye or nay. The Chair will allow 30 seconds for the recording of your votes. Twenty seconds to record your vote. The motion before the house is the Warner amendment to LB 31. Ten seconds to record your vote. Have you all voted? Senator Johnson, do you wish anything?

SENATOR V. JOHNSON: I hate to bring the house under call because I do know that a number of men and women are watching the television set. If we could just leave the board open for just maybe a minute or two or three, I think we might be able to get the remaining two votes to put this amendment on.

PRESIDENT: I can continue to ask for you to record your vote, aye or nay.

SENATOR V. JOHNSON: You could continue that and maybe with a little luck we could get some of the 11 who have chosen either not to be here or not to vote to vote and we could put this amendment on. And someone may call me for protocol in a moment.

PRESIDENT: I continue to ask for you to record your vote, aye or nay. Senator Landis, does not like to have me say the number of votes we need yet.

SENATOR V. JOHNSON: I know, Senator Landis is...is picky.

PRESIDENT: Please record your vote, aye or nay, on the Warner amendment to LB 31.

SENATOR V. JOHNSON: Okay, Senator Goll and Senator Baack, if you could proceed back to your seats quickly, we could...(Laughter.)

PRESIDENT: Who's running this show anyway, Vard Johnson? Please record your vote, aye or nay, on the Warner amendment to LB 31. Have you all voted? Record the vote.

CLERK: 25 ayes, 19 nays on adoption of the amendment.

PRESIDENT: The amendment is adopted.
